Dr. M V Raghu Ram, Dean, Freshman, Placement and Training welcomed the members to the 7th Academic Council meeting held as an Autonomous institution.

Dr. Y. Mallikarjuna Reddy, Principal welcomed the JNTUK Nominees, Directors, Deans, Heads of Departments and other Academic Council members and presented the agenda for the meeting. He informed the members that an intake of 120 students for UG programme in Artificial Intelligence and Machine Learning was granted by the AICTE with effect from the AY 2023-24 making the total intake 180.

The following items of the agenda were discussed and the resolutions were passed unanimously by the Academic Council.

RESOLUTIONS:

Item 1: To approve R23 Regulation for autonomous colleges as suggested by JNTUK from the academic year 23-24.

Resolution-1 Dr K Giri Babu, Dean of Academics appraised the members of academic activities at the institution and informed that the college has implemented R23 Regulations suggested by JNTUK for the AY 2023-24 with slight modifications in the pattern of internal mid term examinations (Open book system and seminars are introduced within the weightage of 30 Marks similar to R20 regulation of VVIT. The Academic council has approved it as it is.

Item 2: To approve First Year Course Structure and Programmes under R23 Regulation for autonomous colleges as suggested by JNTUK from the academic year 23-24.

Resolution-2 Dr K Giri Babu, Dean of Academics has presented First Year Course Structure and Programmes under R23 Regulation for autonomous colleges as suggested by JNTUK from the academic year 23-24 and informed that the college has implemented First Year Course Structure and Programmes suggested by JNTUK for the AY 2023-24. Since we have 11 B. Tech programmes, swapping of subjects between I semester and II semester is made to adjust the workload. Also Soft Skills, a non credit course is introduced in all programmes. The Academic council has approved it as it is.

Dr Venkat Reddy, Director of Academic Planning, JNTUK informed the members that R23 Regulations are indeed a step towards uniform curriculum to facilitate Multi-disciplinary and Interdisciplinary courses with an option of Multiple Exits from a programme for the students. He highlighted that transfer of students from one institution to the other would be easy as the credits and courses can be posted in their digital repositories. He also said that students opting for entrepreneurship and start-ups in the middle of their academic years can get a chance to break and continue their studies as per their convenience in the R23 Regulations. Talking about the 20% restrictions on syllabus modification, he said that Autonomous institutions have the option of Flexibility to change the syllabus provided they justify it and it facilitates easy transfer of students to other institutions.

Item 3 : Approval to submit NBA Tier-1 SAR application for CSE, MECH and EEE UG programmes

Resolution-3 Dr Y Mallikarjuna Reddy, Principal informed the members that UG programmes of three branches namely CSE, Mechanical Engineering and EEE have filled in the NBA Tier-1 SAR application forms and requested the members to approve the submission of the application to NBA. The members gave their approval to submit the NBA Tier-1 SAR application.
